Even if the Company amends any part of the trading conditions and/ or execution rules the client continues to be bound by the Service Agreement, including but not limited to any amendments that have been implemented.
- 6.4 Under no circumstances, the Company shall provide investment advice or recommendation to the *client* or state an opinion in relation to a transaction. The *client* understands that, if necessary, independent advice should be sought in relation to trading financial instruments, including but not limited to trading specific financial instruments, investment strategies pursued, charges and tax implications.
- 6.5 The Company, from time to time and as often as it deems appropriate, may issue material ('the Material'), which contains information including but not limited to the conditions of the financial market, posted through its website and other media. It should be noted that the Material is considered to be marketing communication only and does not contain, and should not be construed as containing, investment advice and/or an investment recommendation and/or, an offer of or solicitation for any transactions in financial instruments. the Company makes no representation and assumes no liability as to the accuracy or completeness of the information provided, nor any loss arising from any investment based on a recommendation, forecast or other information supplied by any employee of the Company, a third party or otherwise. - 6.7 The *client* understands that no physical delivery of a CFD's underlying instrument (or reference instrument) that he/ she traded through his/ her *trading account* shall occur.
- 6.8 The *client* accepts that the Company is the only execution venue, which is a non-regulated market.
- 6.9 The *client* may trade through his/ her trading account from 00.00.01 (GMT+3) on a Monday until 00.00.01 (GMT+3) on a Friday. It should be noted that trading of certain financial instruments occurs during specific timeframes; the *client* is responsible for looking at the contract specifications of such instruments for further details, prior to trading. The *client* shall be notified of any Company holidays through the internal e-mailing system.
- 6.10 the Company is entitled to refuse the provision of any investment or ancillary service to the *client*, at any time, without being obliged to inform the *client* of the reasons to do so in order to protect the legitimate interests of both the *client* and the Company.

CAPACITY

- 7.1 the Company shall act, at all times, as principal.
- 7.2 The Company does not accept the *authorized representative* as a *client*, unless specifically agreed otherwise. However, the *authorised representative* may give instructions to the Company on the *client's* behalf.
- 7.3 The *client* authorises the Company to rely and/or act on any instructions sent by the former to the latter, without the need on the Company's part for confirming the authenticity of the instruction or the identity of the person communicating the instruction.

ASSURANCES AND GUARANTEES

- 8.1 The *client* assures and guarantees that:
- 8.1.1 the Funds, according to paragraph 9.1 below, belong to the client and are free of any lien, charge, pledge or other encumbrance;
- 8.1.2 the Funds, according to paragraph 9.1 below, are not the direct or indirect proceeds of any illegal act or omission or product of any criminal activity; and
- 8.1.3 he/ she acts for his/herself and is not a representative or trustee of a third person, unless he/she produces to the satisfaction of the Company document(s) to the contrary.
- 8.2 The *client* guarantees the authenticity and validity of any document sent to the Company during (i) the account opening process and (ii) throughout the duration of the contractual relationship between the parties.

9. CLIENT MONEY

- 9.1 Unless otherwise indicated, the Company will deposit any Client Money in one or more segregated account(s) held with an institution, separated from the Company's money; this means that Client Money is treated as belonging to the Client and under no circumstances the Company will use Client Money, at any time, to meet any of its obligations. The Client Money will be pooled with money belonging to other Clients so an individual Client will not have a claim against a specific sum in a specific account, in the event of insolvency. A Client's claim will be against the Client Money pool in general. the Company will exercise all due skill, care and diligence in the selection, appointment and periodic review of the institution where the Client Money is deposited. It should be noted, that segregated account(s) will be established, maintained and operated according to the applicable rules and regulations. The Company will give instructions to the banking institution(s) regarding the transfer and movement(s) of the Client Money. If the Client has an Open Position the Company reserves the right, at any time and at the Company's sole discretion, to set-off any unrealised losses incurred in respect of an Open Position against any of the Client Money that is held by the Company to the Client's credit. In effect, this means that the Company based on the conditions referred to above may transfer any part of any unrealised losses from a banking institution to an account of the Company. At the same time, the Company may transfer any unrealised profit incurred as a result of an Open Position from a Company account to a Client Money account held in a banking institution.
- 9.2 the Company shall not be responsible for the solvency, act(s) or omission(s) of any banking institution with which Client Money is held.
- 9.3 the Company is not obliged to pay interest to the *client* for the Funds deposited.
- 9.4 As long as the *margin* remains in the *client* account, the *client* agrees that the Company has the right to transfer ownership of the *client's margin* from the client to the Company, to be kept by the latter as security, and be returned by the Company to the *client* on completion of the *client* trade(s). In this case, the *margin* will be considered as debt due by the Company to the *client* and not as *client money*, therefore it could be used by the Company subject to the repayment obligation. Irrespective of the above, the *balance* and *equity* of the *client* account(s) remain unaffected and the *client* may normally continue his/ her trading and/ or other activity.
- 9.5 Subject to any restrictions referred to in this Agreement regarding the operation of the *vault*, the client has the right to withdraw to their *vault* any part of the Funds equal to the free margin that is available in the relevant trading account provided that there are Funds available.
- 9.6 The client accepts that the Funds shall be deposited in his/ her *vault* on the value date received by the Institution, net of any transfer fees or other charges incurred by the Company that are imposed by the Institution (or intermediary involved in the process) that holds the Funds.
- 9.7 The *client* accepts that the Funds shall be deposited in his/ her *vault* only if the Company is satisfied that the sender of the Funds is the

client or his/ her *authorised representative*; if the Company is not satisfied as to the above then the Company has the right to reject the Funds and return them to the remitter net of any transfer fees or other charges incurred by the Company, using the same transfer method as the one through which it originally received the Funds.

- 9.8 The *client* accepts that withdrawal of any part of the Funds shall be concluded using the same transfer method and the same remitter as the one which the Company originally received the Funds from; under such circumstances, the Company shall return the part of the Funds requested net of any transfer fees or other charges incurred by the Company.
- 9.9 the Company reserves the right to decline a withdrawal that the *client* requested using a specific transfer method and has the right to suggest an alternative.
- 9.10 If, at any time, the Company is not satisfied with the documentation provided by the *client* in relation to the withdrawal/ deposit, the Company reserves the right to reverse to the remitter any part of the Funds net of any transfer fees or other charges incurred by the Company, using the same transfer method as the one through which it originally received the Funds.
- 9.11 The *client* accepts that the Institution may reverse any part of the Funds, for any reason; as a result, the Company shall immediately reverse the respective amount from the *trading account* net of any transfer fees or other charges incurred by the Company, using the same transfer method as the one through which it originally received the Funds. The *client* accepts that this may result to a negative *balance* in the *trading account*.
- 9.12 The *client* accepts that any requests that relate to the administration of the *trading account* shall be made through the Company Client Portal <https://www.lindholmcapital.com/>
- 9.13 The Company shall take all reasonable steps to ensure that the *client* is informed regarding the progress of any requests referred to in the 'Client Money' section, specifically in relation to the expected processing time and the need for any, or any further, documentation that if not in place may delay the processing.
- 9.14 If the *client's trading account* is inactive for 6 months, the Company reserves the right to charge an account maintenance fee of USD15 (or currency equivalent) in order to maintain the *trading account* open.
- 9.15 If the *client's trading account* has Funds of less than USD15 (or currency equivalent), the Company reserves the right to close the account, after notifying the *client* accordingly, and charge a relevant fee.
- 9.16 After the first 6 months of inactivity, the Company maintains the right to charge an account maintenance fee of USD5 per month for every month of inactivity.
- 9.17 The client can be informed about the typical processing times of their deposits/ withdrawals through the Company's official website.
- 9.18 The Company reserves the right to request additional information and/or documentation to satisfy itself that the client's request concerning their

deposits/ withdrawals is legitimate. In addition, the Company reserves the right to reject such a request if it deems that this may not be legitimate. The client accepts that under such circumstances there may be a delay in processing the request.

10. CHARGES

- 10.1 Prior to trading CFDs the *client* needs to consider any applicable charges such as spread(s), commission(s), and swap(s). The *client* is solely responsible for requiring clarifications from the Company in relation to the above, if necessary.
- 10.2 The *client* should note that not all charges are represented in monetary terms (for example, charges may appear as a percentage of the value of a CFD); therefore, the *client* needs to ensure that he/ she understands the amount that the percentage amounts to.
- 10.3 The Company reserves the right to change, from time to time, any of the charges applicable to *clients* when trading financial instruments without prior written notice to the latter; the most up-to-date information shall be found online at <https://www.lindholmcapital.com/>

- 10.6 The swap or finance fee is the interest added or deducted for holding an *open position* overnight.
- 10.7 Depending on the position held and the interest rates of the currency pair involved in a transaction the *client* may either be credited or debited with a financing fee; the operation is conducted at 23:59 server time and the resulting amount is automatically converted into the *client's balance currency*.
- 10.8 From Monday to Thursday swap is charged once and from Friday to Saturday swap is charged in triple size (to cover for the costs of carrying the trade over the weekend). It should be noted that the Company charges its own interest; the rollover interest rates of the Company are based on the overnight rate provided by Bloomberg; the Company updates such rate as often as it deems necessary. It should also be noted that if there is a market for a particular instrument over the weekend, then swaps will only be charged once on Friday, as well as once on Saturday and Sunday.
- 10.9 Further information regarding swaps can be found on <https://www.lindholmcapital.com/accounts>.

LIABILITY

- 11.1 The Company shall, at all times, conclude *client's* transactions in good faith.
- 11.2 The Company bears no responsibility for any acts or omissions concluded by either a natural or legal person that provides the

Company with information in relation to the execution of the *client's* transactions in financial instruments, unless such acts or omissions were the result of negligence or fraud on behalf of the Company.

- 11.3 The Company bears no responsibility for any loss of opportunity that results in reduction in the value of the *client's* transactions in financial instruments, regardless of the cause of such reduction, except to the extent that reduction occurred as a direct consequence of the Company's deliberate actions or omissions.

INDEMNITY

- 12.1 The *client* shall indemnify, or indemnify on demand, the Company for any costs incurred under the provision of investment or ancillary services by the latter, including but not limited to (i) the *client's* breach of the Service Agreement or (ii) false or misleading information provided by the *client* to the Company.

- 15.1 The *client* reserves the right to terminate the Service Agreement within 15 (fifteen) business days from the announcement of an amendment under the 'Amendments to the Service Agreement' section above, by sending a notification through registered post to the Company's registered address or by sending an e-mail to a designated recipient of the Company, given that there are no *open positions* traded through the relevant *trading account* and the *client* has no outstanding obligations to the Company.
